ITINERARY

Day 1

Sat 25 Jun 2022: Arrive in Thailand

Private car transfer from the airport to the 5 star Westin Grand Sukhumvit Bangkok. Aside from being a magnificent hotel with world-class facilities, it is ideally located to explore Bangkok's attractions, shopping, restaurants and entertainment precincts. Tonight, Team Australia will bond over a lavish Welcome Dinner with free-flow beer, wine and soft drink.

Day 2

Sun 26 Jun 2022: Golf at Riverdale Golf Club (1st Qualifying Round)

A breathtaking start to your qualification for a spot on 'Team Australia' for the World Cup. Opened in 2010, Riverdale Golf Club is a relatively flat course with rolling fairways defined by numerous water hazards and sprawling white sand-faced traps and sandy wastes, dotted with dune grasses. The design favours intelligent play, with risk and reward options presented on most holes. All competition will be single stableford using your GolfLink handicap.

Day 3

Mon 27 Jun 2022: Golf at Siam Country Club, Bangkok (2nd Qualifying Round)

This masterpiece championship course is meticulously designed by Toby Cobb, design associate of the Coore and Crenshaw Design, responsible for numerous world-renowned golf courses. The combination of Zoysia grassed fairways and Ultra-Dwarf Bermuda greens make for supreme course conditioning. Water only comes into play on four holes. Many potted grass face bunkers are scattered throughout the course and are uniquely small but playable. All turtle-back greens, ranging from 425 to 1,000 sqm, are tricky yet challenging. The 18th is a spectacular par 3 with a 1,000 sqm green that seems impossible to miss. A miss to the left is likely to end up in a deep deep potted bunker, humorously called the "Big Ass", from which the escape is a real test. There'll be a tense wait to find out if you've finished in the Top 16 and "made the cut" to represent Team Australia for the World Cup final.

Day 4

Tue 28 Jun 2022: World Cup of Golf FINAL

Team Australia (top 16 qualifiers) will compete against golfers from 7 Asian countries to be crowned World Cup Champions. The World Cup Final will be played at Amata Spring Country Club

Amata Spring Country Club was established in 2005 with the vision of creating the Kingdom of Thailand's first world class, private members golf club. Renowned golf course architect Lee Schmidt designed the tournament standard layout which has been awarded numerous accolades including Thailand's Best Golf Course. Routing takes players through a varied array of distinctive holes requiring a full range of thoughtful shot making. The signature hole is the famous 17th, a daunting and memorable par three featuring Asia's only floating island green which is only accessible by boat.

Warm-up at Asia's best practice facility and get acquainted with your senior caddy who knows the course and every subtlety, angle and slope to ensure you shoot your best. This day will undoubtedly be the highlight of your golfing career.

Golfers who didn't qualify for the World Cup Final will play at The Royal Gems Golf City - Dream Arena.

The Royal Gems City Golf Club vision embodies 63 holes designed by the world's 3 most talented golf course designers. The Dream Arena by Ron Garl is the first and only golf course truly inspired by Augusta National and the world's greatest holes.

No expense spared and mountains of dirt were moved to shape a front nine that boasts replicas of the most iconic holes from around the world. The back nine is inspired by Augusta National – home of the Masters. Great fun to play the Road hole at St Andrews and negotiate your way round Amen Corner all on the same day.

Evening: All golfers will convene this evening for a spectacular gala dinner and entertainment event at Amata Spring.
